

Jonathan R. Peters

Associate Professor of Finance
Department of Business
The College of Staten Island
2800 Victory Blvd.
Staten Island, NY 10314

Tel: 718-982-2958
Fax: 718-982-2965
email: jonathan.peters@csi.cuny.edu

Research Fellow
The University Transportation Research Center – Region II
The City College of New York

EDUCATION

The City University of New York, Ph.D., Economics, 1992
Hunter College, MA, Economics, 1990
The College of Staten Island, BS, Economics, 1986
The College of Staten Island, AAS, Civil Engineering Technology, 1984

PROFESSIONAL EXPERIENCE

The College of Staten Island, Associate Professor, Tenured, 2006-Present
The College of Staten Island, Assistant Professor, 2000 – 2006
Wagner College, Assistant Professor, 1996-2000
AT&T Corporation, Lead Analyst – International Forecasting, 1991-1996

ACADEMIC AND PROFESSIONAL HONORS

Job Access and Reverse Commute Grant. New York State Department of Transportation. Co-PI with Marguerite Fuller and Ed Rios, \$187,000 – Provides 20% Funding for CSI Ferry Shuttle Service. June 2009.

Job Access and Reverse Commute Grant. New York State Department of Transportation. Co-PI with Lisa Ebert, \$410,000 – Provides 50% Funding for CSI Ferry Shuttle Service. June 2008.

NYS Assembly – Lavelle/Titone - Staten Island Affordable Housing Study Research Grant with Cameron Gordon, \$10,000, Spring 2007.

Independence Bank Foundation Research Grant: “Winners and Losers in the 1898 Consolidation of New York City,” with Cameron Gordon, \$8,333, Spring 2005.

Staten Island Chamber of Commerce Transportation Scoping Project with Cameron Gordon, \$5,000, Spring 2004.

Center for Excellence in Learning Technology (CELT) Mini Grant: “Finance / Economics 240 Advanced Technology Site,” with George Wang, \$2,500, Spring 2004.

Center for Excellence in Learning Technology (CELT) Mini Grant: “Teaching Materials for Finance Program,” \$2,500, Spring 2003.

Divisional Award to Faculty for Reassigned Time for Research: "A Model of Highway Toll Collection: Estimates of Queuing Costs and Fuel Consumption," 4 Credits, Fall 2002.

PEER-REVIEWED GRANTS

PSC-CUNY Award #64567-00 33: "Economic Value Added and the Cost of Capital," \$2,750, July 2002.

RECORD OF SERVICE

NATIONAL

Technical Consultation: Toll Road Performance Metrics. The Nevada State Senate Energy, Infrastructure and Transportation Committee and The Nevada State Assembly Transportation Committee. Carson City, Nevada. April 2, 2009.

Technical Consultation: U.S. Government Accountability Office (GAO) Study #541047 “Innovative Practices in the Designing, Building, and Financing of Transit Projects” General Accountability Office: February - March, 2009. (Formerly the General Accounting Office)

Panel Member: National Cooperative Highway Research Program Project A19-08, FY 2009 “Cost of Alternative Finance Systems”, National Research Council, National Academies of Science, Transportation Research Board.

Committee Member: Transportation Economics Committee, The Transportation Research Board of the National Academies of Science. 2008-2011 term.

Committee Member: Economics of Parking Subcommittee, The Transportation Research Board – 2008 – present.

Committee Member: Economics of Pricing Joint Subcommittee, The Transportation Research Board – 2006-present.

Expert Testimony: Submitted Amicus Curiae Brief in McKeown vs. The Delaware Bridge Authority, et al. - The United States Supreme Court - April 24, 2002.

COMMUNITY

Expert Commentary: New Jersey Turnpike Authority Toll Escalation Hearing. Woodbridge, New Jersey. October 10, 2008.

Panel Member and Technical Expert: American Institute of Architects Regional/Urban Design Assistance Team #142: Staten Island Waterfront and Community Revitalization. Staten Island, New York. September 2008.

CUNY

MacCauley Honors College Honorary Degree Committee – 2008.

MacCauley Honors College External Review – Faculty Panel Member – May 2008.

Research Fellow: The University Transportation Research Center – Region II, 2004-present.

Board Member: CUNY Institute for Urban Systems, 2004-present.

CSI

Faculty Member: Vice President for Research and Graduate Studies Search Committee. November 2008-present.

Co-Chair: CSI National Geographic Information Systems Day Program: November 2008.

Faculty Member: Scientific Computing Interdisciplinary Faculty Search Committee. September 2008-present.

CSI Exchange Program Site Coordinator – Canberra, Australia: August 2008

Faculty Member: CSI Auxiliary Services Board: 2008-present.

Parking Subcommittee: CSI Auxiliary Service Corporation: 2008-present.

Co-Chair: CSI National Geographic Information Systems Day Program: November 2007.

Chair: Infrastructure Subcommittee: CSI-SIP Staten Island Indicators Project. September 2004 – present.

Presenter: “The Staten Island Economy: From Bread Basket to Basket Case?” at the CSI-SIP Staten Island Economic Conference, December 2005.

Co-Chair: CSI National Geographic Information Systems Day Program: November 2005.

Member: Center for Excellence in Learning Technology Steering Committee: May 2005 – present.

Member: CSI Geographic Information System Project Team: May 2004 – present.

Member: CSI Traffic Modeling Project Team: November 2005 – present.

Presenter: “GIS Models of Transportation on Staten Island” with Michael Kress and Alan Benimoff at the Borough President’s CSI-GIS grant press conference, July 28, 2004.

Presenter: “The Foreign Born Population of Staten Island: Past, Present, and Future” at CSI-SIP Immigration Forum, March 2004.

Presenter: “Transportation Finance 101: The Basics of National and NY Metro Transportation Funding” at the CSI-SIP Transportation Conference, March 2004.

Faculty Thesis Advisor: M.S. Program in Environmental Science

_____ Denis Kearney - “Performance Improvements for Staten Island Bus Operations.”

_____ Judy Flood - “The Environmental and Economic Benefits of Expanding the Staten Island Commuter Rail Network.”

DEPARTMENT/PROGRAM

Acting Department Chair: January – June 2009

Search Committee Chair: Finance Search, 2008-2009.

College Curriculum Committee: Department Representative: 2005-2007.

College Facilities Committee: Department Representative: 2006-present.

Finance Area Chair: Spring 2001-Spring 2006.

Search Committee Chair: Finance Search, 2002-2003.

Master of Ceremonies: Departmental Commencement: 2000-present.

Departmental Awards Committee: 2002 – present.

Honors Student Advisor:

_____ Jonathan Torres, “Utilizing Advanced Mapping Techniques to Understand Spatial Distortion in Transportation Maps” 2008-present.

_____ Dovile Norkeviciute, “Staten Island Bus Ridership and Station Quality” 2004-2005.
Received CSI Divisional Funding for Summer Research Support -2005.

_____ Amanda Katz, “Estimating Transportation Revenue and Spending in New York City by County” 2003-2004.

Winner of a CSI Outstanding Undergraduate Scholar Award – 2004.

Received CSI Divisional Funding for Summer Research Support -2003.

_____ Susan Pace, “Air Quality and Queuing Issues in Electronic Toll Collection” 2002-2003.
